

FRANK ANKENY DEAD

Prominent Rancher Passed Away at His Ranch Home Near Alliance Last Friday

B. F. Ankeny, better known as "Frank", died at his ranch home in Garden county, about forty-five miles southeast of Alliance, Friday night, the cause of his death being dropsy, from which he had been a sufferer for some time. For the past two months he had been growing worse, and it has been known that he could not survive. A short time ago he was taken to Hot Springs in hope that his health would be benefited, but the change gave only temporary relief. Several relatives were present when the end came, one being his eighty-year-old mother, who came here to stay with him after his return from Hot Springs.

Mr. Ankeny was one of the best known ranchers in western Nebraska. He was president of the Crescent Livestock Company, coming here several years ago from Clinton, Ia., to which place the remains were shipped Saturday for burial. He was a member of the Masonic and Elks lodges, with membership at Omaha,

and the body lay in state in the Elks lodge rooms at that city Sunday afternoon until 5 o'clock. The body was met at the Omaha station by delegations of both Elks and Masons, who accompanied the body to the lodge rooms. The deceased was fifty-one years old, and so far as is known had never been married. The body was prepared for shipment at the ranch home.

SCHOOL BOARD TANGLE

Old Trustee and New Trustee Clash in Determining Who's Boss—Is Not Yet Settled

S. P. Pisel passed through Alliance Tuesday on his return to his home near Ellsworth from Rushville where he had been to assist in straightening out the school board tangle in district 143, 18 miles northeast of Ellsworth, in the Kincaid district. The case was put before the county judge at Ellsworth Monday, and it is his opinion that H. H. Losey is the proper officer.

Wm. Matthews was elected trustee at the recent election, and made verbal acceptance, although he never filed his written acceptance. Two teachers were hired, one by each man, and now neither one of the schoolmams is willing to take charge until the matter has been definitely decided. Mr. Pisel is clerk, and says that if the matter is not adjusted real soon, he is going to send in his resignation, as he doesn't think the honor is commensurate with the trouble now in progress. In the meantime the children in the school district are happily enjoying their enforced vacation.

PLENTY OF PROOF

From People You Know—From Alliance Citizens

The greatest skeptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Alliance, of people who can be seen at any time. Read the following case of it:

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, says: "Over three years ago my kidneys became badly disordered and the kidney secretions were unnatural. Whenever I stooped, sharp pains darted through my loins and it was hard for me to straighten. I tried many remedies, but all failed to help me until I used Doan's Kidney Pills, procured at Holsten's Drug Store. They brought relief in a short time and I continued using them until I was free from kidney complaint."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Whaley had. Foster-Milburn Co., Props., Buffalo, N. Y.

ADDING MEAT DEPARTMENT

Malery Grocery Co. Will now Furnish Customers with Everything to Eat

The large new ice box and the fixtures arrived this week for the new meat department of the Malery Grocery company, and the market will be in operation tomorrow. The ice box is one of the latest put out and is perfectly sanitary. It is 10x6 feet inside, with several smaller compartments in the front. H. A. Gribble, of Denver, has been secured to take charge of the meat department. Mr. Gribble was formerly manager of one of the largest shops in Denver, and is a highly competent man. He is expected in Alliance today to assume his duties.

Hyannis Train Was Successful

The Hyannis special train, which went from Alliance last Friday to the Home Day celebration, was a success for the promoters, contrary to their expectations when the train left Alliance Friday morning. About forty tickets were sold from Alliance, which did not quite cover the expense, but as soon as the Lakeside and Antioch crowds had gotten on the expense was covered. Fifty-two round trip tickets were sold from here, part of the purchasers going on 44 and on 42, for which the special received no credit. There were 210 persons on the special when it reached Hyannis.

New Inspection Dates

The new inspection dates for the representatives of the French army, have been set as October 4, 5 and 6. The last inspection was a good one in every respect, and it is expected that there will be more good horses at the next inspection next month. Horses are already coming in from surrounding points in preparation for the event.

Taken to Penitentiary

Last Thursday Sheriff Cox took to the state penitentiary at Lincoln Charles Brenkley and Frank Harte, who were given sentences of one to ten years and one to seven years respectively in that institution, which they began serving Friday morning.

TRAIN FROM WYOMING

Burlington Live Stock and Better Farming Special Will Come to Alliance from Wyoming

The Burlington live stock and better-farming special train, which will arrive in Alliance Saturday night, October 9, and remain until Monday morning, October 11, will start from Thermopolis, Wyo., accompanied by Governor Hendrick as far as the state line. It will go up into Montana and then down to Alliance, going from here to Colorado points.

The train consists of an exhibit car containing the best type of beef cow, dairy cow, the prize winning pig of the Wyoming state fair, and other livestock and farm machinery. Accompanying the train are P. G. Holden, the corn expert; H. W. Campbell, father of dry farming; Prof. C. W. Farr, farmer assistant to the superintendent of schools of Cook county, Ill.; I. D. O'Connell, immigration commissioner of the Burlington; J. B. Lamson, agriculturist for the Burlington, and others. A section devoted to home economics is in charge of Miss Zella Wigent, and attention is also given to the work among boys and girls.

Barn-Paint Talk

Have you had one of our painted shingles yet?

If not, come in and get one and a free sample of Standby Barn Paint.

This is a unique idea. Painted shingles are not new. The woods are full of them, but no one ever gave out a shingle and a can of paint, and said as we do, "Go home, paint a shingle of your own and then compare your shingle with ours." You will find the effects identical.

In other words, our shingle is not a "show shingle," but just a regular job of painting with the same paint we sell you in the cans.

Standby Barn Paint contains more oil than any other barn paint on the market. Look at the formula—compare it with others. Here it is:

Liquid Analysis
Pure Linseed Oil 43.7%
Heavy Japan 56.3%

Oil is what you want for a smooth long-lived paint.

Standby Paint is a bright, glossy red paint which protects from weather and sheds water.

It is guaranteed when properly applied to wear for five years without chipping, peeling or cracking.

Come to our store and get your Shingle and Free Sample of Paint.

Try it—see how smoothly it works—how it covers.

Remember the oil formula and the guarantee.

Telephone Toll Rates

Telephone rates should depend upon what it costs to produce the service.

In America we pay double the wages for the same kind of telephone work that is paid in European countries.

Nearly all kinds of telephone material costs a great deal more here than it does abroad.

American Rates Lower

For distances under fifty miles, within which four-fifths of all long distance calls are made, American telephone rates for the same service are much lower than in European countries.

For longer distances and for messages between countries, European telephone rates are from three to four times as high as our rates for the same distance in this country.

The long distance telephone service in Europe is generally very poor. The farthest a toll call can be made abroad is scarcely more than the distance across one of our states.

IF BACK HURTS USE SALTS FOR KIDNEYS

But less meat if Kidneys feel like lead or Bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
